Ecological engagement

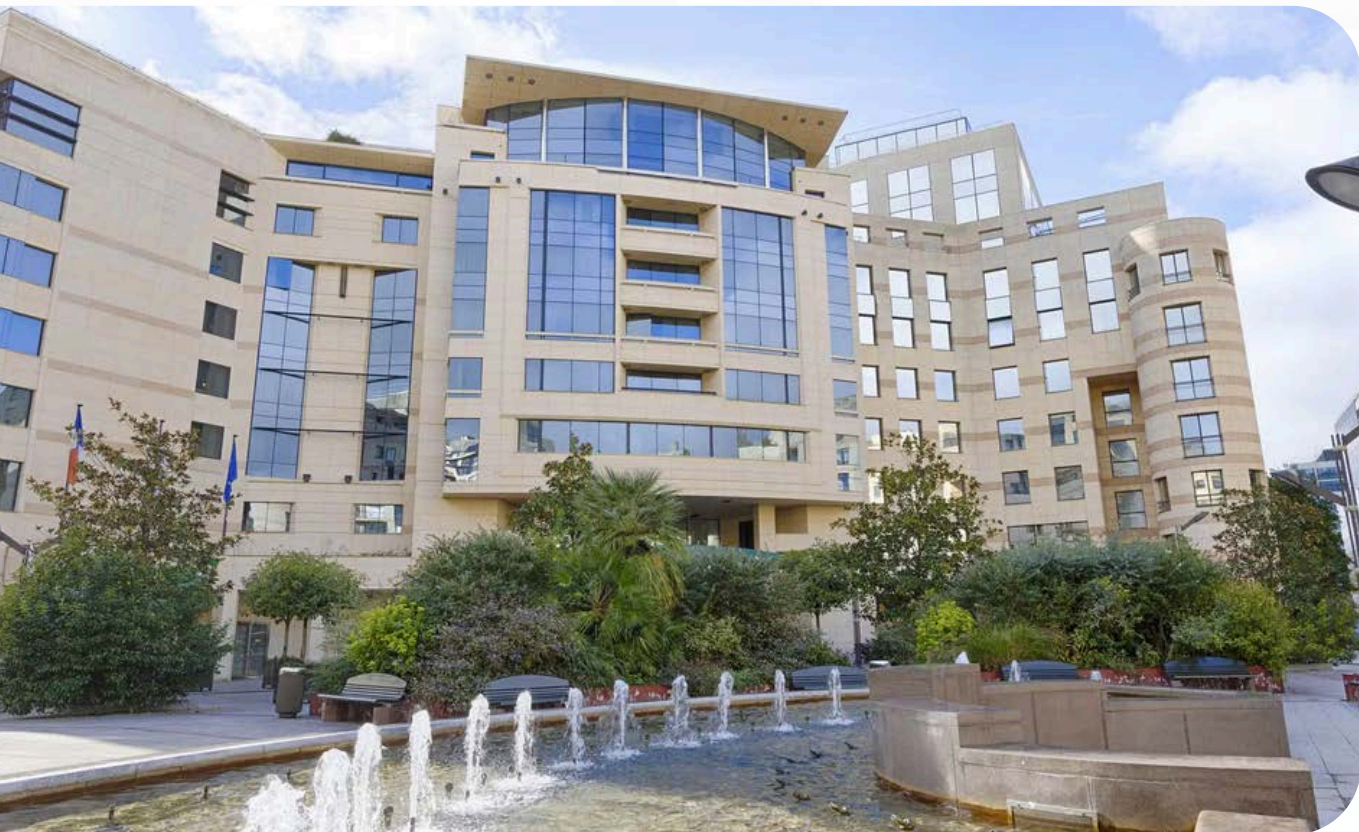

The FFTDA is a signatory of the French Ministry of Sports' [Charter of the 15 Eco-Responsible Commitments](#).

The Taekwondo Grand Prix reflects this commitment to sustainable and responsible sport. The selected hotels implement eco-responsible practices that contribute to reducing their environmental impact, while their proximity to the Palais des Sports encourages sustainable transportation.

We are confident that promoting this commitment will strengthen environmental awareness and support the development of sustainable sporting practices worldwide.

OCCIDENTAL HOTEL [OFFICIAL] ★★★★★
