** If an athlete 's height changes after the registration date and his or her category must be changed, the organizing committee will reassign him or her as long as his or her weight falls within the range stated in the table above.*

For example, if an athlete (height 154 cm when registered) is initially registered in the men 's under 156 cm division, but later reaches a height of 159 cm, the athlete will be moved to the men 's under 160 cm division. In this case, the athlete must meet the weight requirements mentioned in the table above.

- This may result in a MNA having more than one (1) athlete in one height category and no athletes in another height category, depending on the athlete 's height change from registration to weigh-in.*

**Athletes must meet both height and weight requirements to be eligible to compete in each category.*

For example, athletes competing in the Women 's Under 160 cm category must be between 156. 1 cm and 160 cm in height and weigh between 39 kg and 53 kg. If an athlete does not meet any of these requirements, he/she will not be allowed to compete.

11. WEIGH-IN
